## History & Identity

Loyola School, Mukundara, is a Jesuit institution founded in 2000 by Fr. Syriac Panjikaran S.J., a visionary leader with indefatigable determination and inexhaustible dedication. Loyola is an integral part of the Jesuit Global Network of schools, with a strong commitment to the education of the young. School offers a holistic education that nourishes the mind, body, and spirit and has a vibrant community of 1226 students, supported by a team of 74 teaching and 41 non-teaching staff. Loyola School is a beacon of hope and inspiration, where students are empowered to reach their full potential and make a positive impact on the world.

## Our Mission

To mold children of character, building a world of justice and peace.

## Our Vision

Loyola School, a home of excellence, nurtures students to develop their talents and skills for a global society, while imbibing humane values, respect for life, and the cosmos. It is a holistic, student-centered, excellence-oriented institution that strives for "Magis" (greater and greater)

## Uniqueness

Interactive, participative, and innovative methodologies are adapted in class rooms and in other learning contexts. Extensive use of digital contents, PFB Meta Buzzer, Loyola Multiflex and Smart class room facilities make learning visually appealing and exciting. Well articulated Accompaniment Policy that would ensure the integral development of the child. Student-centered and eliciting approaches are adapted to address the attention deficiency and related issues.
